## **INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT**

To the Board of Directors:

I have reviewed the accompanying financial statements of Resource Centre for the Arts - Hall Operations Fund that comprise the balance sheet as at August 31, 2024, and the statements of operations, net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Practitioner's Responsibility**

My responsibility is to express a conclusion on the accompanying financial statements based on the review. I conducted the review in accordance with Canadian generally accepted standards for review engagements, which require me to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, I do not express an audit opinion on these financial statements.

### **Conclusion**

Based on my review, nothing has come to my attention that causes me to believe that the financial statements do not present fairly, in all material respects, the financial position of Resource Centre for the Arts - Hall Operations Fund as at August 31, 2023 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended August 31, 2024  
(Unaudited)

### 2. Summary of Significant Accounting Policies (Continued):

#### Financial Instruments:

Financial assets and financial liabilities are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, all financial instruments are measured at amortized cost. The carrying value of financial assets does not materially differ from the basis of measurement.

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the effective interest method.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes, in net earnings, an impairment loss when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to net earnings in the period the reversal occurs.

### 3. Accounts Receivable:

### 7. Deferred Revenue:

Deferred revenue consists of grant revenue which had not been earned by year end due to either the grant funds not having been used by year end or the grant which was issued for a stated period, had not expired by year end.

### 8. Canada Emergency Business Account Loan:

Long-term debt consists of a Bank of Montreal loan which is the repayable portion of the Canada Emergency Business Account. The loan is non-interest bearing until January 18, 2024 at which time the outstanding balance is converted to a term loan, bearing interest at 5% per annum. Interest payments are due monthly with the principal required to be fully repaid by December 31, 2026.

The total amount of the loan which was received by the Organization was \$60,000. If \$40,000 is repaid on or before January 18, 2024, the remaining balance of \$20,000 will be forgiven. The Organization repaid the remaining \$20,000 before January 18, 2024, as they have already repaid \$20,000 of the loan, therefore the \$20,000 forgivable portion of the loan has been recorded as grants and sponsorships previously.
